

GOAL

An energy resilient and self-sufficient NWE region

LONG-TERM

The CIRCUS project

1

Adapt tools into a **METHOD** reaching beyond innovators

2

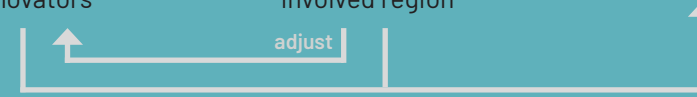

IMPLEMENTING the method, 30 times, 6 times in each involved region

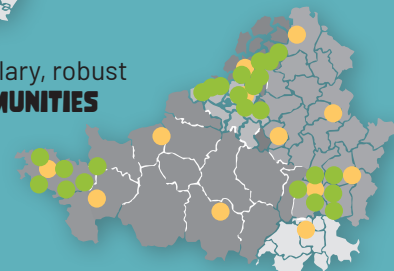

3

TRAINING advisors to use the method

30 exemplary, robust **E-COMMUNITIES**

+

150 CERTIFIED ADVISORS trained to use the method elsewhere

+

Widely **ACCESIBLE METHOD WITH ONLINE TRAINING**, ensuring easy adoption after project period

INNOVATORS facilitating first energy collaborations

UPTAKE beyond innovators, given the challenging (policy) context resulted in disjointed approach and territorial gaps
